

Hessequa Municipality

**MUNICIPAL SUPPLY CHAIN MANAGEMENT
INVITATION TO SUBMIT CLOSED QUOTATION
THE UPGRADING OF MUNICIPAL BUILDINGS IN GOURITSMOND**

RQ Nr: 57607

01 December 2017

Dear Sir/Madam

Please provide a written quotation for the supply of goods and / or services as detailed in the list attached.

The quotation must be submitted, on the official letterhead of your business, by the one of the following means for the attention of Ms Carisha Prins

- Email carisha@hessequa.gov.za
- Per Hand at the Hessequa Municipality SCM offices, Post Office Building, 19 Main Road, Riversdale, 6670

**QUOTATIONS MUST REACH THE MUNICIPALITY BEFORE OR AT 12:00 ON 13 DECEMBER 2017
NO LATE QUOTATIONS WILL BE CONSIDERED**

The following conditions will apply to all quotations:

- Prices quoted must be firm, inclusive of VAT and where applicable for delivery to the address indicated below. The total amount of the quotation must also be clearly indicated;
- Please refrain from quoting on goods that are out of stock or not usually stocked by your company, or indicate on your quotation that this is the case and what the delivery period on those items will be;
- If your quotation is accepted, goods and/or services must be supplied and delivered to the below mentioned address, accompanied by your delivery note and invoice (if possible);
- Quotations must to be valid for a period of 30 days;
- The delivery period must be indicated.
- The closed quotation is subjected to the General Conditions of Contract as contained in MFMA Circular 25 of 2005 and the conditions contained in Hessequa Municipal SCM POS section 3.2.4.

- If a quotation is submitted for the goods; services or works requested, you the supplier accepts the conditions of this quotation and that the goods; services and works will be supplied or constructed as per this quotation.
- A formal order will be issued to the successful supplier that will be a written instruction to the supplier to supply; deliver or construct as per specifications contained in this quotation.
- If a quotation is called for a specific number of items, Council reserves the right to change the number of such items to be higher or lower. The successful quotationer will then be given an opportunity to evaluate the new scenario and inform the Municipality if it is acceptable. If the successful quotationer does not accept the new scenario, it will be offered to the second-placed quotationer. The process will be continued to the Municipality's satisfaction.

If your quotation does not comply with above stated conditions, your quotation will not be considered.

If you have not received a response from the Municipality within thirty (30) days after the closing date of the quotation, please regard your quotation as unsuccessful.

Should you be interested in wanting to know to who the successful contractor was, you may consult our website at www.hessequa.gov.za where monthly reports on awards will be published.

Quotations will be evaluated and adjudicated in terms of the Preferential Procurement Policy Framework Act (Act 5 of 2000), The Preferential Procurement Regulations,2017 and the Hessequa Municipality's Supply Chain Management Policy, for which 80 points will be allocated in respect of price and 20 points in respect of B-BBEE contribution.

It is estimated that prospective suppliers should have a CIDB contractor grading of 1GB OR higher.

The Municipality reserves the right to withdraw any invitation for closed quotations and/or to re advertise or to reject any quotation or to accept a part of it. The Municipality does not bind itself to accepting the lowest quotation.

Any Prospective Service Provider must make sure that they are registered and are valid on the Database of Hessequa Municipality and/or on the Centralised Supplier Database (CSD) and that they are in possession of a Valid Tax Clearance Certificate.

Please address any technical enquiries regarding the specifications to Mr Pieter Floors
Tel: 028 713 7857 or any Supply Chain Management related enquiries to Ms Carisha Prins at
Tel: 028 713 7974.

A compulsory clarification meeting will be held on at the following:

DECLARATION CERTIFICATE FOR LOCAL PRODUCTION AND CONTENT FOR DESIGNATED SECTORS

This Municipal Bidding Document (MBD) must form part of all bids invited. It contains general information and serves as a declaration form for local content (local production and local content are used interchangeably).

Before completing this declaration, contractors must study the General Conditions, Definitions, Directives applicable in respect of Local Content as prescribed in the Preferential Procurement Regulations, 2017 and the South African Bureau of Standards (SABS) approved technical specification number SATS 1286:2011 (Edition 1) and the Guidance on the Calculation of Local Content together with the Local Content Declaration Templates [Annex C (Local Content Declaration: Summary Schedule), D (Imported Content Declaration: Supporting Schedule to Annex C) and E (Local Content Declaration: Supporting Schedule to Annex C)].

1. General Conditions

- 1.1. Preferential Procurement Regulations, 2017 (Regulation 8) makes provision for the promotion of local production and content.
- 1.2. Regulation 8.(2) prescribes that in the case of designated sectors, organs of state must advertise such closed quotations with the specific bidding condition that only locally produced or manufactured goods, with a stipulated minimum threshold for local production and content will be considered.
- 1.3. Where necessary, for closed quotations referred to in paragraph 1.2 above, a two stage bidding process may be followed, where the first stage involves a minimum threshold for local production and content and the second stage price and B-BBEE.
- 1.4. A person awarded a contract in relation to a designated sector, may not sub-contract in such a manner that the local production and content of the overall value of the contract is reduced to below the stipulated minimum threshold.
- 1.5. The local content (LC) expressed as a percentage of the bid price must be calculated in accordance with the SABS approved technical specification number SATS 1286: 2011 as follows:

$$LC = [1 - x / y] * 100$$

Where

x is the imported content in Rand

y is the bid price in Rand excluding value added tax (VAT)

Prices referred to in the determination of x must be converted to Rand (ZAR) by using the exchange rate published by the South African Reserve Bank (SARB) at 12:00 on the date of advertisement of the bid as required in paragraph 4.1 below.

The SABS approved technical specification number SATS 1286:2011 is accessible on http://www.thedti.gov.za/industrial_development/ip.jsp at no cost.

- 1.6. A bid may be disqualified if this Declaration Certificate and the Annex C (Local Content Declaration: Summary Schedule) are not submitted as part of the bid documentation;

2. The stipulated minimum threshold(s) for local production and content (refer to Annex A of SATS 1286:2011) for this bid is/are as follows:

Description of services, works or goods Stipulated minimum threshold

<u>Steel products</u>	<u>Components</u>	<u>% Local Content</u>
Fasteners	Bolts	100%
Joining/connecting components	brackets	100%

3. Does any portion of the goods or services offered have any imported content?

(Tick applicable box)

YES	<input type="checkbox"/>	NO	<input type="checkbox"/>
-----	--------------------------	----	--------------------------

- 3.1 If yes, the rate(s) of exchange to be used in this bid to calculate the local content as prescribed in paragraph 1.5 of the general conditions must be the rate(s) published by the SARB for the specific currency at 12:00 on 07 December 2017.

The relevant rates of exchange information is accessible on www.reservebank.co.za.

Indicate the rate(s) of exchange against the appropriate currency in the table below (refer to Annex A of SATS 1286:2011):

Currency	Rates of exchange
US Dollar	
Pound Sterling	
Euro	
Yen	
Other	

NB: Contractors must submit proof of the SARB rate (s) of exchange used.

4. Where, after the award of a bid, challenges are experienced in meeting the stipulated minimum threshold for local content the dti must be informed accordingly in order for the dti to verify and in consultation with the Accounting Officer / Accounting Authority provide directives in this regard.

THE UPGRADING OF MUNICIPAL BUILDINGS IN GOURITSMOND:

IMPORTANT PRELIMINARY REQUIREMENTS TOGETHER WITH SPECIFICATIONS:

Hessequa Municipality requires the services of a General Building Contractor with experience in the erection of walls, general paint and building works, to do the following work at GOURITSMOND MUNICIPAL BUILDINGS mentioned in the specifications hereunder. **During the site meeting, the buildings at the relevant resorts and respectively also the work to be done, will be explicitly pointed out.**

A penalty fee of 10% of the original starting price will be enforced on a daily basis (per day) if the work is not completed in the aforementioned time frames.

Only Experienced contractors with at least 5 years' similar experience of indicated works as mentioned in the specifications below, will be considered. Preferable 5 but at least 3 different references of completed similar works in the past 5 years

A Minimum guarantee of 5 years for workmanship and building material installed and all related sub-contracting works must be supplied in writing by successful contractor directly after completing this work. This guarantees will not be applicable on acceptable normal wear and tear of material, unforeseen acts by nature and also cases of vandalism, were it can be proven with sustainable and acceptable facts by the successful contractor. It is very important that the successful contractor will ensure that he/she only make use of the best quality material on the market, suited for the climate and weather conditions of coastal areas, and with specific execution of all manufacturer's instructions in this regard. Avoid cheap copies of quality named and proven products.

Please be advised that all preparatory related works necessary to start and successfully complete this closed quotation must be done by the contractor. *The removal of all refuse and scraps must be done continuously by the contractor or at a time as indicated by the municipal foreman, before the final payment will be made.*

The successful contractor will timeously arrange for and supply all necessary certificates required by Law or Municipal Policy regarding the issuing thereof, on any aspect related to this job/closed quotation, at his/her own cost. This include sub-contracting work.

The successful contractor must arrange and pay for his/her own accommodation and transport and also for every worker/person in his/her service.

The successful contractor must also supply its own temporary store room/container for keeping and locking up all tools, building material and accessories during such time it takes to complete the works.

The successful contractor will be responsible for any damages and unforeseen expenses whatsoever.

The successful contractor will also be responsible for cleaning the work area on a daily basis throughout the contract and specifically after the works are completed.

All material removed/not removed remain the property of the municipality and should be reported to the municipal foreman.

Where material, refuse and scraps may be removed by the contractor, *it must be done at certain times in accordance with the municipal foreman and/or his delegate. No final payment will be made unless all indicated material, scrap and refuse were not thoroughly removed.*

The contractor must take all the relevant measures him-/herself that is necessary/relevant to complete the work to be done.

No payment whatsoever will be made by the Municipality IN ADVANCE. During the duration of the works only 3 invoices (per separate and specific project) from the successful contractor will be accepted for payment in the following cases:

- After the contractor has completed 30% of the works.
- After the contractor has completed 70% of the works.
- After the contractor has completed 100% of the works.

Payment and signing off of the invoices will only be made after inspection of the completed works by an Official from the Municipality and indication that the percentage of works were completed to his/her satisfaction and sole discretion. The contractor must therefore make sure that he/she consist of the necessary cash flow on hand prior to commencing with works in order to purchase all starting material and also can handle any other related costs applicable.

The information on the Quote from contractors must indicate the total price for all separate works specified hereunder on the example given at the end of the specifications (Vat Inc.). Depending on the available budget amount and the quote accepted, an indication of the total of works to be done will be communicated to the successful contractor.
