Upgrading of municipal camping sites/resorts: Preekstoel

IMPORTANT PRELIMINARY REQUIREMENTS TOGETHER WITH SPECIFICATIONS:

Hessequa Municipality requires the services of a Contractor to do the following work at PREEKSTOEL RESORT mentioned in the specifications hereunder. During the site meeting, the buildings at the relevant resorts and respectively also the work to be done, will be explicitly pointed out.

The work at Preekstoel ablutions must be completed as soon as possible after approval of closed quotation and must be completed before or on the final date of 29 June 2018.

A penalty fee of 10% of the original starting price will be enforced on a daily basis (per day) if the work is not completed in the aforementioned time frames.

Only Contractors with at least 10 years' building experience of similar works as indicated in the specifications below, will be considered. Preferable 10 but at least 6 different references of completed similar works in the past 5 years within the scope and Rand value of this closed quotation must also be supplied.

No more than 30% of the total value of this closed quotation may be sub-contracted by the successful contractor. In cases where the successful contractor will make use of sub-contractors, full information of the sub-contractors together with at least 3 different references of each sub-contractor must be supplied to the Manager: Property Administration or his delegate for review and final consent. The successful contractor, however, will be personally held responsible and accountable for all works including sub contacting works, as specified and related to this closed quotation.

A Minimum guarantee of 8 years for workmanship and building material installed and all related sub-contracting works must be supplied in writing by successful contractor directly after completing this work. This guarantee will not be applicable on acceptable normal wear and tear of material, unforeseen acts by nature and also cases of vandalism. It is very important that the successful contractor will ensure that he/she only make use of the best quality material on the market, suited for the climate and weather conditions of coastal areas, and with specific execution of all manufacturer's instructions in this regard. Avoid cheap copies of quality named and proven products.

Please be advised that all preparatory related works necessary to start and successfully complete this closed quotation must be done by the contractor. *The removal of all refuse and scraps must be done continuously by the contractor or at a time as indicated by the Camp Coordinator, before the final payment will be made.*

The successful contractor will timeously arrange for and supply all necessary certificates required by Law or Municipal Policy regarding the issuing thereof, on any aspect related to this job/closed quotation, at his/her own cost. This include sub-contracting work.

All building material, building parts, labour, workman tools, safety-accessories, and sub-contracting related parts and works must be arranged and supplied by the successful contractor at his/her own account.

The successful contractor must arrange and pay for his/her own accommodation and transport and also for every worker/person in his/her service. No accommodation will unfortunately be made available at any Municipal Resort for any persons other than Bona Fide holiday persons.

The successful contractor must also supply its own temporary store room/container for keeping and locking up all tools, building material and accessories during such time it takes to complete the works. This must be placed on a site as indicated by the Camp Coordinator, and nowhere else.

The successful contractor will be responsible for **any damages and unforeseen expenses whatsoever.**

The successful contractor will also be responsible for cleaning the work area on a daily basis throughout the contract and specifically after the works are completed.

All material removed/not removed **remain the property** of the municipality and should be reported to the Camp Coordinator.

Where material, refuse and scraps may be removed by the contractor, it *must be done at certain times in accordance with the Camp Coordinator and/or his delegate. No final payment will be made unless all indicated material, scrap and refuse were not thoroughly removed.*

The contractor must **take all the relevant measures him-/herself** that is necessary/relevant to complete the work to be done.

No payment whatsoever will be made by the Municipality IN ADVANCE. During the duration of the works only 3 invoices (per separate and specific project) from the successful contractor will be accepted for payment in the following cases:

- After the contractor has completed 30% of the works.**
- After the contractor has completed 70% of the works.**
- After the contractor has completed 100% of the works.**

Payment and signing off of the invoices will only be made after inspection of the completed works by an Official from the Municipality and indication that the percentage of works were completed to his/her satisfaction and sole discretion. The contractor must therefore make sure that he/she consist of the necessary cash flow on hand prior to commencing with works in order to purchase all starting material and also can handle any other related costs applicable.

The information on the Quote form contractors must indicate the total price **for all separate works specified hereunder on the example given at the end of the specifications (Vat Inc.)**. Depending on

the available budget amount and the quote accepted, an indication of the total of works to be done will be communicated to the successful contractor.
