SPECIFICATIONS

Upgrading and building of new braai areas (Gouritsmond tiding pool) and the upgrading of blue flag beach facilities (men and ladies) (labour only)

IMPORTANT PRELIMINARY REQUIREMENTS TOGETHER WITH SPECIFICATIONS:

Hessequa Municipality requires the services of a Contractor to do the following work at GOURITSMOND TIDING POOL AND BLUEFLAG BEACH. During the site meeting, the work to be done, will be explicitly pointed out.

The work MUST BE COMPLETED NOT LATER THAN 16/11/ 2018 as indicated in the specs.

A penalty fee of 10% of the original starting price will be enforced on a daily basis (per day) if the work is not completed in the aforementioned time frames.

No more than 30% of the total value of this closed quotation may be sub-contracted by the successful contractor. In cases where the successful contractor will make use of sub-contractors, full information of the sub-contractors together with at least 3 different references of each sub-contractor must be supplied to the Manager: Property Administration or his delegate for review and final consent. The successful contractor, however, will be personally held responsible and accountable for all works including sub contacting works, as specified and related to this closed quotation.

A Minimum guarantee of 2 years for workmanship and building material installed and all related sub-contracting works must be supplied in writing by successful contractor directly after completing this work. This guarantee will not be applicable on acceptable normal wear and tear of material, unforeseen acts by nature and also cases of vandalism

Please be advised that all preparatory related works necessary to start and successfully complete this closed quotation must be done by the contractor. *The removal of all refuse and scraps must be done continuously by the contractor or at a time as indicated by the municipal official, before the final payment will be made.*

The successful contractor will timeously arrange for and supply all necessary certificates required by Law or Municipal Policy regarding the issuing thereof, on any aspect related to this job/closed quotation, at his/her own cost. This include sub-contracting work.

All labour, workman tools, safety-accessories, and sub-contracting related parts and works must be arranged and supplied by the successful contractor at his/her own account.

The successful contractor must arrange and pay for his/her own accommodation and transport and also for every worker/person in his/her service. No accommodation will unfortunately be made available at any Municipal Resort for any persons other than Bona Fide holiday persons.

The successful contractor must also supply its own temporary store room/container for keeping and locking up all tools, building material and accessories during such time it takes to complete the works. This must be placed on a site as indicated by the municipal official, and nowhere else.

The successful contractor will be responsible for **any damages and unforeseen expenses whatsoever.**

The successful contractor will also be responsible for cleaning the work area on a daily basis throughout the contract and specifically after the works are completed.

All material removed/not removed **remain the property** of the municipality and should be reported to the municipal official.

Where material, refuse and scraps may be removed by the contractor, it *must be done at certain times in accordance with the municipal official and/or his delegate. No final payment will be made unless all indicated material, scrap and refuse were not thoroughly removed.*

The contractor must **take all the relevant measures him-/herself** that is necessary/relevant to complete the work to be done.

No payment whatsoever will be made by the Municipality IN ADVANCE. During the duration of the works only 2 invoices from the successful contractor will be accepted for payment in the following cases:

- After the contractor has completed 30% of the works.**
- After the contractor has completed 70% of the works.**

Payment and signing off of the invoices will only be made after inspection of the completed works by an Official from the Municipality and indication that the percentage of works were completed to his/her satisfaction and sole discretion. The contractor must therefore make sure that he/she consist of the necessary cash flow on hand prior to commencing with works in order to purchase all starting material and also can handle any other related costs applicable.
