

HESSEQUA MUNICIPALITY'S ESSENTIAL SERVICES CONTINUES DURING LOCKDOWN

Despite the nationwide lockdown, Hessequa Municipality continues to provide essential and emergency municipal services to the community. To limit the spread of the virus, only the most essential personnel are deployed, while many are working behind the scenes and from home to keep the municipality ticking.

We would like to thank each and every municipal servant for their hard work and commitment in providing these services to our community during this challenging time.

Whether it is decontaminating our sidewalks, bus stops and communal toilets in informal settlements, holding roadblocks and patrolling our streets to ensure residents obey the lockdown laws, educating the community via load-hailing, assisting the Department of Social Department (DSD) with the delivery of food parcels to those in need, manning the cashier points so that pre-paid water and electricity sales can continue, clearing blocked drains, collecting refuse, doing repairs as and when needed... we **SALUTE** you for your selfless service.

THANK YOU!
