FOR IMMEDIATE RELEASE

09 July 2020

OPENING OF MUNICIPAL LIBRARIES

Residents are advised that although the national regulations (GG 43507, No 751 – dated 06 July 2020) regarding the opening of libraries have been promulgated, municipal libraries are only allowed to open once permission has been granted by the Minister of Sport, Arts and Culture, Nathi Mthethwa, in accordance with Section 7 of the regulations.

The Western Cape Government is currently in the process of coordinating the Province's application on behalf of all the libraries. Residents will be informed of the opening date and limited operating hours as soon as permission has been granted. In the meantime, our library staff is working hard to ensure that our libraries will be ready for opening in line with prescribed safety measures.
