

APPROVAL FOR DISPOSAL OF FLEET ITEMS

File Number / Verwysings nommer: 5/5/3

Meeting Date / Vergadering Datum: 27 November 2024

Report by / Verslag deur: Technician: Compliance & Complaints – Mr. S. Block

PURPOSE OF REPORT / DOEL VAN VERSLAG

That Council provides approval for the obsolete fleet to be placed on the annual auction.

BACKGROUND AND DISCUSSION / AGTERGROND EN BESPREKING

The Hessequa Municipality maintains a fleet of vehicles to ensure optimal service delivery within the approved service standards. Vehicles are evaluated annually to assess their economic life and running costs. When it is determined that a vehicle has reached the end of its economic useful life or its maintenance costs become uneconomical, disposal is considered. In the current evaluation, four vehicles meet these criteria due to high maintenance costs and operational inefficiency.

The following table lists the vehicles considered for disposal, including details of their condition and manufacturing year:

Asset Description	Reg Number	Year	Condition	Department	Comments
Toyota Hilux	CCC 4515	2002	Very Poor	Fire Services	Out of use, parked in yard (Power Station).
Nissan NP300	CCC 8788	2012	Poor	Civil Services	Out of use, parked in yard (Power Station).
Nissan NP300	CCC 5237	2010	Very Poor	Property Management	Out of use, parked in yard (Power Station).
Ford Bantam	CCC 6920	2005	Very Poor	Law Enforcement	Out of use, parked in yard (Power Station).

Toyota Hilux (CCC 4515): Severe rust, faulty gearbox, poor engine condition

Nissan NP300 (CCC 8788): Dented body, faulty gearbox, poor engine condition, faulty starter and alternator.	
Nissan NP300 (CCC 5237): Extensive rust, poor engine condition.	
Ford Bantam (CCC 6920): Rusted and unsafe body, poor engine condition, faulty clutch.	

These vehicles have been out of service for some time and their disposal will not impact service delivery.

The item served at the **Technical Portfolio Committee** on **13 November 2024** (Item 5.7) with the following recommendations:
